Subject: NFB change in mobilization date

Good Morning

Due to some unexpected delays, the training obligations that practically all of our team is participating this week, the amount of work/planning that would need to be accomplished.....We are going to push off mobilization at NFB until May 31st. In a perfect world, we would slide the three weeks accordingly (May 30-June 17, with May 30th and 17th being travel days). Please revise my TA. I will also have to revise my OT and travel companion requests. Thanks

Regards,

Eric
